

Sample Compensatory Education Plan

Student: _____ Grade: _____

Compensatory education must be provided in the event that services were not delivered as specified in the student's individualized education program. The determination of compensatory services must be made in light of the following:

- *The services must be based on peer-reviewed research, to the extent practicable;*
- *The LEA must monitor progress by collecting measurable data during implementation and provide the parent with progress reports;*
- *Transportation, if necessary, must be provided;*
- *Specially designed instruction must be provided by a highly qualified special education teacher or a qualified EC teacher, as the circumstances require; and*
- *The compensatory services must be completed within a calendar year.*
